

# I Am Who I Am

*Sandra J. Bradley*

I look just like any woman  
my short hair  
and thick waist  
tells nothing about me  
for  
I Am Who I Am.

Don't judge me  
without getting a glimpse  
of who I am  
who I would like to be  
who I am going to be today  
for  
I Am Who I Am.

Why does it make a difference  
to you  
that I may wear a veil?  
I worship  
my god just a little differently  
for  
I Am Who I Am.

You don't understand  
nor can you comprehend  
my life  
my values  
my special sisters and friends  
Do you want to try  
and expand your horizons?

Remember  
You are You  
and I Am Who I Am.
