¹ Placement test or prerequisite required.

² Students may select any two history courses (6 credits) from this list to meet the requirement. HIS courses do not have to be taken sequentially. Consult transfer institution to choose appropriate courses for your transfer program.

³ Eligible courses are listed on page 155 in the 2005-2006 catalog. See your academic advisor or counselor to choose the appropriate course(s).

⁴ Students may substitute SPD 105 for SPD 100. Consult transfer institution to ensure that the substitution is appropriate for your transfer program.

⁵ The following courses may be taken to satisfy approved elective: ACC 215, BUS 100, BUS 230, BUS 280, ECO 210, ITE 140, ITP 100, MKT 100, MKT 282.

*Course title change effective with Fall 2005 semester.

NOTES:

- Investigate the requirements of transfer institutions before choosing electives and consult a transfer counselor or academic advisor to plan your program.
- Decision Science or Information Systems majors may take ITP 100 as the approved elective. The appropriate division dean must approve other electives.
- In order to graduate with the associate's degree, you must meet the college's computer competency requirement (see page 34).
