

WHAT YOU CAN EXPECT OF TCC

We are a large but friendly college, providing comprehensive educational programming at reasonable cost to students of almost any age.

You can expect **quality instruction** and support from caring faculty and staff who put the needs of students first.

You can expect a **stimulating place** where students, faculty, and staff enjoy a climate of mutual trust and respect which encourages exciting intellectual pursuits.

We **earn our greatest rewards** when you achieve your goals at TCC and when you develop a desire to keep learning for the rest of your life.

WHAT WE EXPECT OF YOU

We will expect you to demonstrate personal and academic integrity, to be open to new ideas, and to share in a community where individuals from diverse backgrounds and cultures help one another grow intellectually, socially, and personally.

We expect you to achieve, not just to get by. And while many caring and talented faculty and staff are here to help you, you must take responsibility for your own learning. We expect you to strive for a high level of academic performance and to be a responsible, contributing citizen within the college and in outside communities.

Above all, we want you to develop a love of learning that will last a lifetime, along with a life-long interest in maintaining emotional and physical wellness.
