## **Tidewater Community College launches new shuttle**

WTKR-TV3

Tidewater Community College's new shuttle will take its first trip today.

TCC says students asked for a more convenient way to get from one campus to another, so they are launching the TCC Campus Connector.

The shuttle will transport students between its four campuses in Virginia Beach, Norfolk, Chesapeake, and Portsmouth.

This morning 40 students and the TCC president boarded the shuttle for the first trip.

The shuttle service will be free for the first two weeks of school - then it will cost \$3 per ride and \$6 per round trip.

It runs weekdays from 7 a.m. to 3 p.m. and in the evenings Monday through Thursday.
