

## Huge Second-Half Comeback Fuels Storm Basketball Victory.

The TCC Men's Basketball Team won their opening scrimmage Saturday, with a 64-60 victory over the Eustis Knights. They overcame a very slow start and 15 point halftime deficit with a great defensive turnaround and mix of great fast break and inside plays in the second half. Down 23-38 at half, the Storm started the second half on a 20-6 run, and with consistent defense managed to slow down the outside shooting of the Eustis Knights, virtually eliminating all of the open jump shots the Knights had thrived on in the first half. They turned forced shots and turnovers into fast break opportunities, and established their low post game to close out the victory. The Storm Men's Basketball Team has its next scrimmage this Saturday against Charis Prep at 3 pm.
