Subject: Ad hoc committee to review the timing of hiring

Campus Chairs,

At our November 6, 2008 College Faculty Senate meeting the Senate approved a motion to form an ad hoc committee to review the timing of hiring and make recommendations to suggest ideas for making the timeline timelier. Therefore, I am requesting that each Campus Chair appoint at least one, but no more than 2 faculty members to serve on this committee. Preference should be given to College Senator, Campus Senators, than non-senators. After I receive a response from each campus, I will appoint a committee chair.

Please contact me if you have any questions,
