Dr. DiCroce,

Attached you will find the Senate's Report on Faculty Input on Emergency Shut-down and Emergency Preparedness Concerns.

We hope that this report, endorsed by the College Faculty Senate, addresses the question you posed to the faculty regarding semester completion during an emergency and initiates further dialogue with faculty at the discipline and programmatic levels to address the individualized academic needs of those disciplines and programs.

Thank you for giving faculty the opportunity to voice our thoughts on these matters; if you have any questions, please do not hesitate to contact me.

best
