## **Memorandum**

To: Dr. Michael Summers  
Vice President of Academic and Student Affairs

From: Chris Cartwright  
Chair, College Faculty Senate

Date: March 26, 2008

RE: Adjunct Faculty Mentoring Program

On March 6, 2008 the College Faculty Senate approved the motion that “the Faculty Senate request the college to establish a formal mentoring program for all new Adjunct Faculty in each discipline on each campus”. As Chair of the College Faculty Senate I am passing this request on to you for action. If you need assistance from Faculty, we would be willing to participate in the development of the program.
