

PAPC: Approval of TLTR Membership Changes

In response to organizational changes in the Office of Information Technology and Educational Technology (formerly Distributed Teaching and Learning Technology), the Teaching, Learning, and Technology Committee of Tidewater Community College has voted to add new positions for voting members. The new positions will increase diversity of opinion and perspective to better address teaching and learning issues brought on by changes in information and instructional technology. The new membership list reads as follows:

TLTC Membership List

- Vice President, Academic and Student Affairs (ex officio)
- Vice President, Office of Information Systems (ex officio)
- Associate Vice President, Educational Technology (ex officio)
- College-wide TLTR Coordinator
- TLTR chair from Chesapeake Campus
- TLTR chair from Norfolk Campus
- TLTR chair from Portsmouth Campus
- TLTR chair from Virginia Beach Campus

(The TLTR chair position from each of the campuses is sometimes filled by co-chairs. For voting purposes, the TLTR chair counts as a single vote, regardless of the number of individuals filling the chair position.)

- One librarian elected college-wide
- One counselor elected college-wide
- One classified employee appointed from Disability Services
- One classified employee appointed from Educational Technology
- One classified employee appointed from OIS
- One classified employee appointed from Web Services
- One student appointed by the SGA Federation

- Presidential appointee
- Presidential appointee
- Presidential appointee

(This committee is allowed up to three people appointed as directed by the PAPC and, if necessary, the PAPC is directed to use the appointments to ensure that each campus has at least one representative on the committee.)
