Dr. Summers:

At the Faculty Senate meeting on March 6, 2008 you stated that a link had been provided to the online Faculty Handbook for information on the Faculty Grievance Procedures. I have been unable to find this information. I'm not saying it's not there, just that I can not find it. The intend of the Faculty Senate request to have the grievance procedure for faculty added to the Faculty Handbook was that they be easy to locate. I am hoping that you can point me in the right direction to locate the procedure recently posted. It might also be beneficial to have web service add html coding so the page would show up when searching the TCC web page for the key word "grievance".

Thank you for your attention to this matter,

Chris Cartwright
