Subject: May 2020 Commencement Is Canceled

Dear TCC Faculty, Staff and Students

I write to share the news that Dr. Glenn DuBois, chancellor of Virginia's Community Colleges, has decided that all 23 schools will cancel their May 2020 commencements because of the pandemic.

The CDC is now recommending that gatherings of more than 50 people be canceled for the next 8 weeks. His decision is in line with that guidance, as well as that of Governor Ralph Northam.

[You can read his entire statement here.](#)

TCC's Commencement Committee will be working to provide alternate opportunities for us to honor our graduates and celebrate their achievements.

Sincerely,
Dr. Marcia Conston
President
Tidewater Community College
