Subject: Remote Learning Update

TCC Students: As we continue to monitor the impact of COVID-19, your health and safety remain a top priority for TCC. This public health emergency is growing rapidly in scope and impact, with hundreds of new cases being diagnosed daily. Therefore, out of an abundance of caution and concern, TCC is taking the following actions:

Remote learning will continue through the end of the semester. Our faculty members have worked tirelessly to prepare their courses for remote delivery, which started this morning. **We are committed to helping you successfully complete your programs and courses.** Some of you have expressed concern about remote learning. Please know that all of our faculty members are interested first and foremost in your success and will help you get through this.

The College remains open. However, we will implement telework for all staff as of close of business today. **No students or members of the public will be permitted in our buildings.**

TCC has put in place additional remote services to assist you. Visit our [Virtual Resources page](#) to learn more. If you have any questions, call 757-822-1111 for assistance.

Please stay well.

This email account is not monitored on a daily basis. If you need immediate assistance, please email info@tcc.edu or call [757-822-1122](tel:757-822-1122) and select option #4.

Sarah Swager
Manager
Information Center
Tidewater Community College
