### **Instruction Committee's Progress**

  - IC has reviewed the SCHEV revised policy on General Education and Assessment. The VCCS will support Civic Engagement, Critical Thinking, Written Communication, Quantitative Literacy, Professional Readiness and Scientific Literacy.
  - IC has solicited input from faculty on the General Education Policy Draft. Comments were collected and included in the report to the Associate Vice President for Academic Affairs.
  - IC reviewed the revised Scientific Literacy rubric for alignment with the General Education Policy Draft definition. IC voted that the revised TCC Scientific Reasoning rubric meets the spirit of and is in alignment with the VCCS General Education Policy definition of scientific literacy.
  - IC reviewed and found the Critical Thinking rubric meets the spirit of and is in alignment with the VCCS General Education Policy definition of critical thinking.
  - IC has been working extensively on development of a Civic Engagement (CE) Rubric.
    - The Massachusetts Civic Learning and Engagement Assessment Framework was used to begin the conversation for how TCC would fulfill SCHEV requirements.
    - Faculty input was solicited for the CE rubric.
    - IC members evaluated other CE rubrics and objectives and discussed modifications to make each objective measurable.
    - IC worked to develop objectives worded to maximize application at TCC for practicality and assessability.
    - IC drafted definitions of terms, e.g. civic values that will be necessary for effective assessment.
    - IC finalized CE rubric for use 2019-2020.

- IC has begun working on Professional Development Competency and discussing definitions and development of rubric.
  - Faculty input was solicited for the PD competency.
- IC supported college implementation of new and revised GE competencies.
  - Rubrics were provided Pathway Deans with an open invitation to attend a meeting discussing the objectives, assessments, or provide clarification.
  - IC held information session designed to provide faculty with guidance in changes to GE competencies and determining which competency or competency are supported by courses.
- Strategic Plan
  - IC attended presentation on VCCS PFM plan including a discussion on the impact of the plan on TCC funds, and the 10 metrics used to distribute General Funds.
  - IC attended a presentation on the College's planning transition and future strategic planning efforts.
  - IC discussed and evaluated former TCC Strategic Plan and developed recommendations on how to proceed with creation of new strategic plan.

  - IC recommends transitioning the library support for SDV to an online format in Canvas to maximize access for students.
  - IC attended presentation on VIVA Open and Affordable Course Content Grant Program. VIVA, the academic library consortium of Virginia, has an Open and Affordable Course Content Committee that is offering a new Course Redesign Grant Program, as well as an ongoing opportunity for faculty to earn a stipend for reviewing Open Educational Resources (OER) content for the Open Textbook Network (OTN). IC forwarded information to faculty to support instructional efforts.
