Program Information: https://apollo.tcc.edu/pls/apex/f?p=122:32:9886061401918:::NO:P32_CUR_GUIDE_ID:1342

Program Description:

The Career Studies Certificate in Critical Care prepares individuals to work in critical care environments, including flight and ground transport areas, as well as critical care units in hospitals. The program is available to registered nurses and paramedics who wish to enhance their training in patient critical care. Upon completion of the certificate, nurses may take the Critical Care Nurses Exam (CCRN) and paramedics may take the Flight Paramedic exam, as added credentials in their work.
