

Phlebotomy (221-151-02)

TCC Website: <https://www.tcc.edu/programs/phlebotomy/#phlebotomy>

Program Information: https://apollo.tcc.edu/pls/apex/f?p=122:32:9886061401918::NO:P32_CUR_GUIDE_ID:1195

Program Description:

The Phlebotomy program prepares students for entry-level employment in hospitals, medical offices, and clinics with training in blood draw and preparation/processing of blood tests. It also prepares students to take the National Certification Examination in Phlebotomy. Admission to the college does not guarantee admission to the Phlebotomy program, with applications accepted until classes are full. Students must submit a copy of their immunization records at the time of application. For further information regarding admission, continuance, and graduation requirements (e.g., proof of satisfactory health status, "C" grade point average or better), go to tcc.edu (search keyword "phlebotomy"). Students enrolled in this curriculum are not eligible for federal financial assistance.

State Licensure/Certification Agency: National Health Career Agency <https://www.nhanow.com>

Certification Licensure: Phlebotomy Technician CPT (NHA)

Point of Contact: Angela Bell, abell@tcc.edu, 757-822-7276

Program Disclosure: Phlebotomy certification is required in four states: California, Louisiana, Nevada, and Washington
